NOTES: My class schedule is built on the preferences and agendas of students and families.

If you don't see a class to fit your schedule here, please call or email to arrange a class.

There is room in the schedule to accommodate a few more classes for older kids, adults or kinder kids.

All classes (except sewing) include drawing lessons to help students evolve their observation and artistic skills. Down & Dirty classes may include acrylic painting too. Maximum class size is 8.

Classes are \$30 per and \$25 for the 2nd sibling or family member. Sewing is \$35 per class. Private classes are available for \$45. You can pay as you go, or 4 classes in advance. To register for classes, please call or email. New students must bring a completed release form to the first class.

We are now preparing for the **4th Annual Students of Heidi Mayo Art Exhibit at PACTV Gallery**. The opening reception will take place Friday, April 6 from 5:00 to 7:00 PM. ALL ARE WELCOME! Any student who has taken classes with me in the past year is welcome to show 2 or 3 pieces of their framed work. We also hold a silent auction to benefit a special Heifer International project. Last year we raised over \$500 that we split between our sister city, Shichigahama, Japan and Heifer's Cambodian Womens project. The show will run through May 1 at PACTV Gallery, 4 Collins Ave, Plymouth.
